Nitrate Testing Records

County:

Month/ Year:

Directions:

Date should indicate initial date of testing. For multiple testing, please indicate somewhere on form.
For the "Nitrate Quiktest Result", if sample tested indicated high nitrates, please mark "Y". If sample did not change appropriate color, please indicate with an "N".
For the "Nitrate Strip Test Result", if completed, please indicate which range the sample tested at with an "X" under the appropriate Nitrate Range.
If the sample was sent to the lab, please indicate the quantitative result in the "Lab Analysis Result" column.

Date	Species	Variety	Maturity	Acres Represented	Nitrate Quiktest Result (Y/N)	Nitrate Strip Test Result (ppm NO3)				Lab Analysis Result
						<1500	1500-5000	5,000-10,000	>10,000	(ppm NO3)
